ISSUE#10 / DECEMBER 2016

**Stanley  
College  
vs  
Kingston  
College!**

Last month Stanley College took on our rivals Kingston College in a game of Futsal or as it is better known Indoor Soccer! Kingston College won the game with a score of Kingston 10 - Stanley College 2. Even though we did not take home the victory, our students had lots of fun! The rules of indoor soccer are simple two 20 minute periods make the length of the game, there are unlimited substitutions, and no offside rule! The game was followed by a short picnic for the teams to mingle and congratulate the winners!

### Holiday Destination Suggestion!

Margaret River

Margaret River or "Margs" as it is affectionately known as by the locals, is a beautiful coastal town two and a half hours south of Perth. Margaret River is a very popular destination for those who want to relax and get away over the holidays. With lots of caravan parks and camping sites this small town can be an affordable option for holidays with a family or a group of friends.

Margaret River is well known for it's amazing beaches and surfing spots, it's wineries, and it's wonderful caves (such as Giants Cave and Ngilgi Cave) that are open to the public to show off the magnificent fossils and stalactites.

If you want some more information about Margaret River please see Amy at Francis Street Campus or email [events@stanleycollege.edu.au](mailto:events@stanleycollege.edu.au)
